Data sheet

CYPRESS (juniperus vj)

Reference : 10362-71

Product photos

Description

Artificial CYPRESS (juniperus vj), with a wooden trunk and PE foliage. With a PVC pot 12 cm in diameter and 11 cm high at the base. Suitable for outdoor use, but the wooden trunk must be treated with a water-repellent product. The original pot must be pierced to allow water to drain out. It should be attached to the decorative planter, creating drainage to prevent water stagnating at the foot of the plant. Wood is a living material. Outdoors, it is perfectly normal for wood to peel. Simply maintain it with light brushing, then reapply a water-repellent varnish.
