# Data sheet

MOSS WOOD 100x100
Reference : 2490-71

Product photos

Description

Artificial MOSS WOOD 100x100, with an "earthy" underlay. For best results, we recommend you unfold the panels 24 hours before use.Assembling the panel in several pieces on a support guarantees its natural effect. You may also need to apply a few dots of glue in places as you work on it.
