

Newsletter N13 - 08/12/2020

[Video : Show room in 60 seconds :](#)

[Video : Show room in few minutes :](#)

[Slideshow : Show room in HD pictures :](#)

Hello,

As we are still in confinement period, I am offering you a small virtual tour of the Vert Espace show room.

I'll let you watch our new videos : a short one of 60 seconds, a longer one of a few minutes and the 3rd is a slideshow in high resolution pictures.

And don't forget to discover our latest New products below, including around then small plants that will arrive in January 2021, UV resistant, and therefore, suitable for the outdoors.

Regards,

Emeline

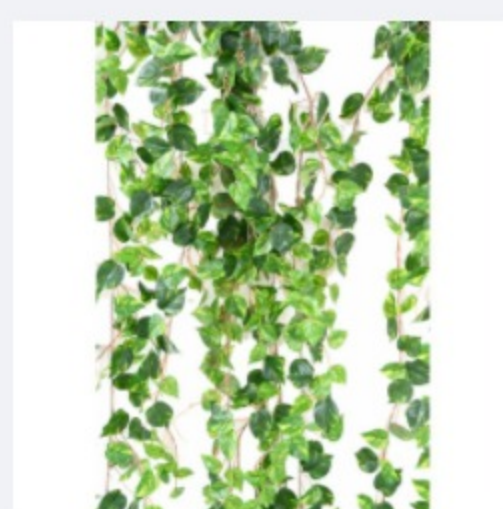

News products of December month : 08/12/2020

Pothos Mini 200

Ref : 26237-71

Height : 200 cm

New very long and very dense fall, ideal for all your indoor plant compositions. Its pretty variegated foliage will bring brightness.

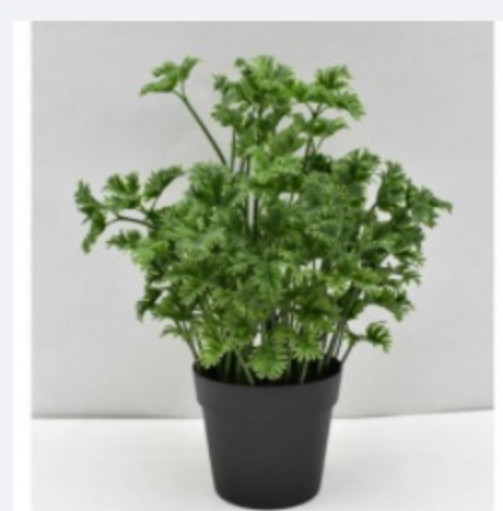

Parsley 25 Pot

Ref : 27483-UV71

Height : 25 cm

Let's start this series of small plants suitable for outdoor with Parsley : ideal for decorating a restaurant for instance.

Rosemary 24 Pot

Ref : 27484-UV71

Height : 24 cm

According to the strong demand to have artificial aromatic plants, we continue with this rosemary, and escape for a moment to the Mediterranean area where it grows naturally in the wild.

Mint 23 Pot

Ref : 27485-UV71

Height : 23 cm

Great value for these small plants which are UV resistant and supplied in a black PVC pot. This mint will be perfect to put on a balcony for example.

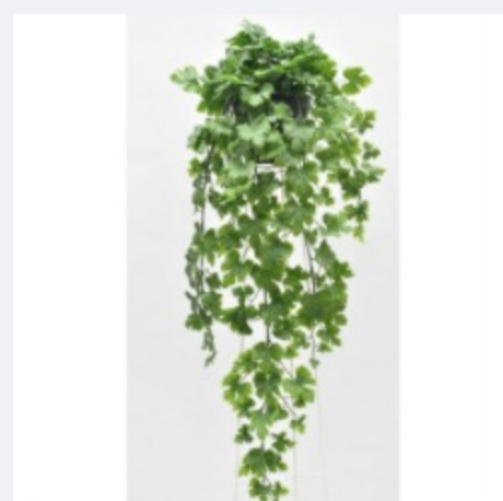

Vine Fall 68 Pot

Ref : 27490-UV71

Height : 68 cm

Installing plant in hanging decorations is very trendy nowadays. Inside : to decorate a store or a shop window. Outside : to hang on a pergola for instance.

Fern Fall 75 Pot

Ref : 27491-UV71

Height : 75 cm

As these 5 hanging plants are supplied in a PVC pot, installation in a pretty decorative planter is quick and convenient. This fern, neither too small, neither too long, has a ideal size for hanging decorations.

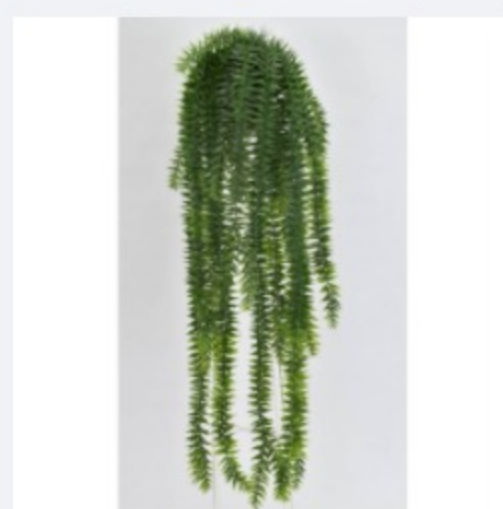

Lycopodium Fall 70 Pot

Ref : 27492-UV71

Height : 70 cm

New foliage very successful for this Lycopodium : herbaceous plant looks like either large mosses and ferns. In the wild, you may have already seen it in wetlands areas, or also known to be used in homeopathy.

Ivy 68 Pot - Variegated
Ref : 27494-UV73

Ivy stays a very popular plant for the outdoors. These 2 new hanging plants, master keys, exist either in variegated : Green/Cream or Green/Red for a more colorful touch.

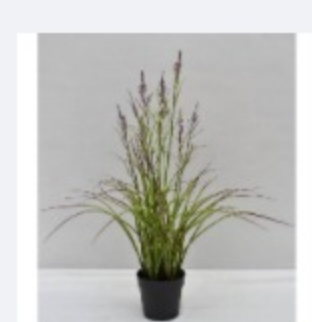

Ivy 68 Pot - Green/Red
Ref : 27495-UV95

Asparagus 45 Pot

Ref : 27496-UV71

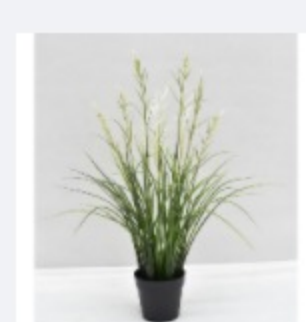

Height : 45 cm

The Asparagus with its very airy, fine and delicate foliage remains a very decorative plant, to be simply installed in a very pretty flowerpot and that's it.

Acorus flower 45 Pot - Green/Violet
Ref : 27497-UV54

The Acorus, also called "Japanese rush" looks like an aquatic grass. This very ornamental plant will fit around a pond for instance.

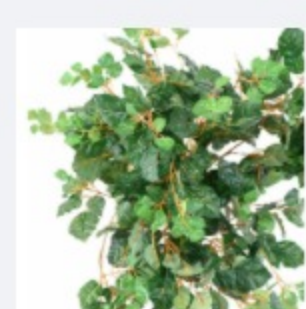

Acorus flower 45 Pot - Green/White
Ref : 27498-UV71

Creeping Charlie 391F
Ref : 25220-71

Online exclusivity : limited stock : we end up with 2 falls for indoor to put in your green walls : you can see them at our show room in Bezons (visit by appointment.).

Ivy Danica 391F
Ref : 25221-71
