

Newsletter N6 – March 24th 2020

Hello,

After one week of containment, we have the choice between looking at the sky from our window or taking time to discover our new products below.

Feel free to take advantage of this period to ask us your questions about our products or our general terms and conditions of sale.

Good luck to all and take care of yourself.

Emeline

News Sansevieria, Boxwood, Green plants and Flowers : 24/03/2020

Sansevieria Green - 49 cm
Ref : 26095-71

2 new Sansevieria sold in its pretty decorative pot.

Also called, mother-in-law's tongue, this desert plant is native to Africa.

Sansevieria Variegated - 49 cm
Ref : 26095-73

Sansevieria Green - 85 cm
Ref : 26096-71

Sansevieria, with its very graphic look, is the trendy plant nowadays to bring a contemporary touch to our interiors.

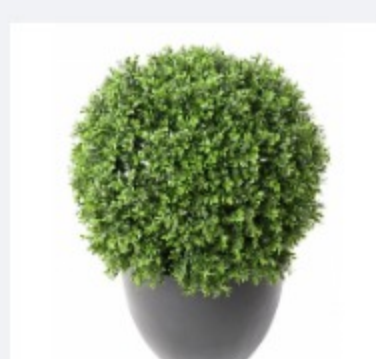

Sansevieria Variegated - 85 cm
Ref : 26097-73

Sansevieria Stake *9

Ref : 21766-70

Height : 35 cm

In stake version, this little and very realistic plant will be perfect for your compositions by playing the accumulation card for example.

Boxwood ball new regular UV - height : 90 cm and diameter : 70 cm
Ref : 11705-UV71

Natural boxwoods are unfortunately still attacked by box tree moth. So opt for these 2 beautiful artificial boxwoods, ideal for shop entrance for example or to decorate a "French" formal garden.

Boxwood ball new regular UV - height : 105 cm and diameter : 90 cm
Ref : 11706-UV71

Fern Boston Plast 75

Ref : 26099-71

Height : 75 cm

Very nice and bright fern, its armed leaves allow to create very natural and very different movements.

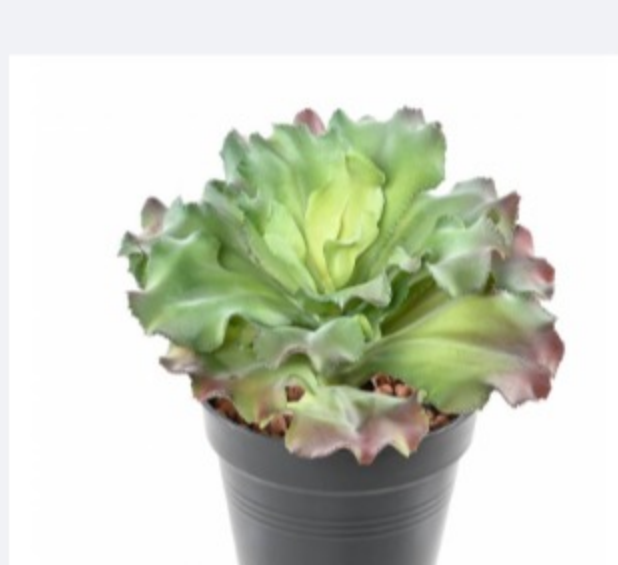

Succulent 22

Ref : 26101-71

Height : 22 cm

In general, succulents have thick and fleshy leaves and stems. Native to sunny regions, they are ideal for brightening up a room.

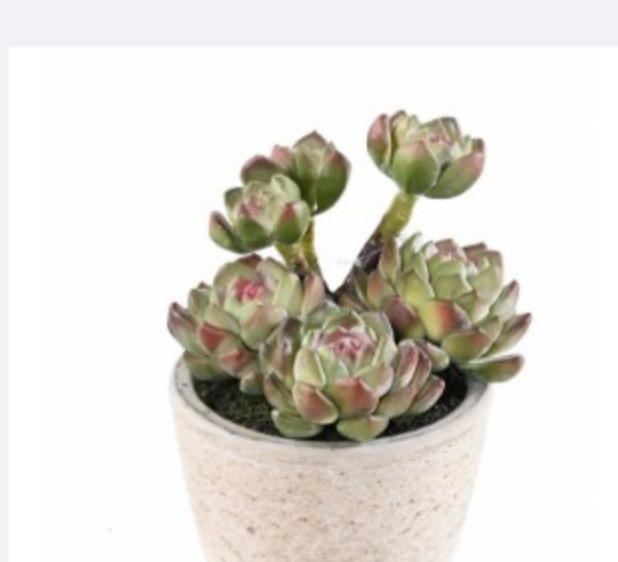

Succulent 18 in pot

Ref : 26102-71

Height : 18 cm

Its Latin name speaks for it : Echeveria elegans, this small plant will bring a touch of elegance in its ceramic pot, ready to place.

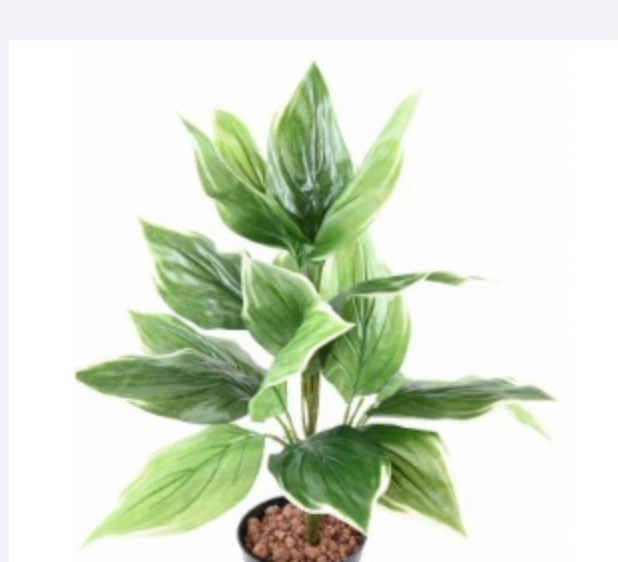

Hosta *18

Ref : 26105-71

Height : 60 cm

Very popular with gardeners, Hosta is appreciated for its very decorative foliage : its strongly marked veins and its touches of white at leaf margins.

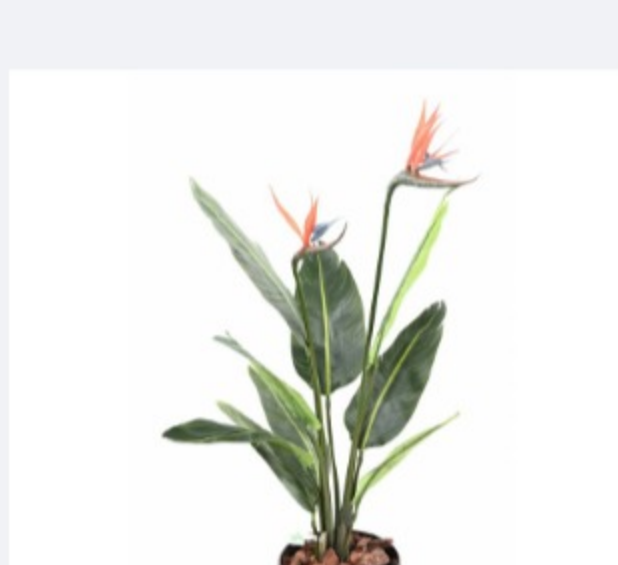

Strelitzia 9F 2 FI

Ref : 26094-71

Height : 95 cm

Native to South Africa, the Bird of Paradise is present in all tropical climates. Florists like it for its very curious flowers like a bird's head, this is the reason of its name.

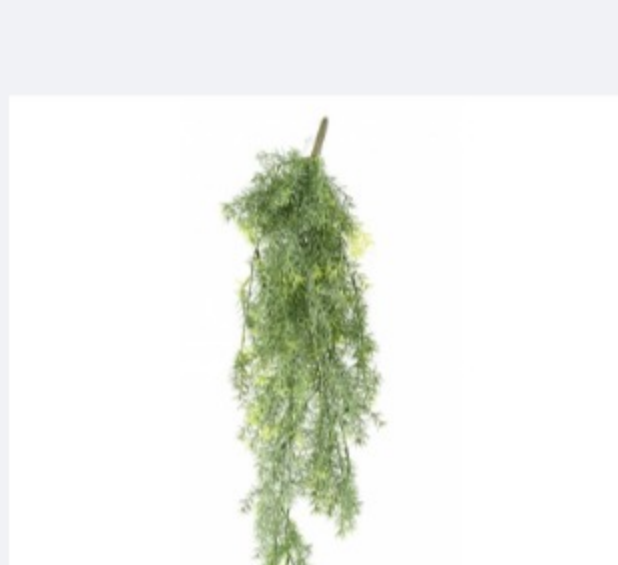

Asparagus Fall

Ref : 26098-71

Height : 80 cm

Asparagus looks like a fern, but doesn't belong to the same family at all. Its airy, fine and dense foliage is ideal for your hangings or green walls.

Eucalyptus Spray 90 cm

Ref : 5107-71

Height : 90 cm

Great value for this beautiful branch of Eucalyptus. In Australia, koalas feed only on the leaves of this tree so characteristic.

Peony *6

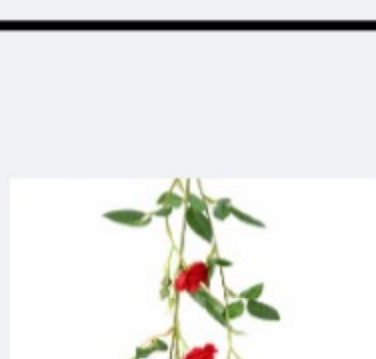

Ref : 3513-15

Height : 60 cm

With its majestic flowers in ball shape and its multitude of petals, this new Peony has a very pretty powder pink and beautiful drawn leaves.

Rose mini Garland yellow - 180 cm
Ref : 3514-02

Rose mini Garland red - 180 cm
Ref : 3514-36

Rose mini Garland white - 180 cm
Ref : 3514-58

Flower garlands are very demanded in your indoor installations. Here are 3 new garlands to add a touch of color to your decors.
